RED SEA AQUARIUM NET COVER

Here is a great new idea to keep your fish safe from jumping out! This self-assemble kit has 8mm thin strand transparent netting (casts no shadow) and an aluminium frame which can be customized to fit and is suitable for use on most aquariums including inside rim or on-rim mountings. The kit includes components for one customized cutout for filters etc. and additional components are available. Go to <https://youtu.be/dLNQsKHvUD0> for a great video giving instructions on how to cut and assemble a cover.

PEACOCK CICHLIDS. Peacocks are an African Rift Lake Cichlid from Lake Malawi. They are a territorial and semi-aggressive fish and are best mixed with other Malawi Cichlids of a similar temperament and size with plenty of caves and hiding places.

Regular Price \$16.50

SPECIAL PRICE \$9.99

MALE CORAL BLUE DWARF GOURAMI. A great freshwater tropical community fish which are easy to keep and mix well with similar sized fish. Will happily feed on quality flake food plus occasional live and/or frozen foods. Usually \$15.50.

BIRTHDAY SPECIAL ONLY \$9.99.

SHUBUNKIN GOLDFISH. With their streamlined bodies and strong single tails, these are the speedsters of the goldfish world. Cold water fish which can be kept indoors or in outdoor ponds. Easy to keep and feed these are often a 'first fish' for children. Must be kept covered as they are inclined to jump. Usual price \$4.50. **NOW ONLY \$3.00.**

SILVER SHARKS. Large growing (up to 30cm in large tanks) these freshwater tropical fish are quite peaceful although not to be trusted with very small fish. They do best when kept in a small school. Usually \$8.99 each.

BARGAIN PRICE \$6.50

AMBULIA A spectacular plant with fine, lush, lime green foliage. It is a beautiful background plant as it grows quite tall and full, so is good for hiding filters, heaters etc. As a soft leafed plant best not mixed with plant eating fish. Normally \$6.99

BIRTHDAY SPECIAL \$4.99

SPECIALS AVAILABLE 5TH TO 11TH MAY ONLY UNLESS SOONER SOLD OUT.

SUCKING CATFISH. Not the prettiest fish but a very hard working algae eater for the freshwater tank. Also a great cleaner which spends much of its time fossicking in the gravel for uneaten food.

Normally selling for \$4.99 **NOW \$3.50.**
